Top 10 Lexis Advance Features

01

The Red search box that does so much for you

Search across all available content or select the specific source(s) you want to search. Retrieve source documents with a single click. Search using plain English or use the terms and connectors you are comfortable with. Now powered by Semantic Parsing, the key elements of your search are now mapped to natural language sentences that extracts the precise meaning of an utterance.

02

Single log-in to all your legal research & guidance needs

Save time from shifting between platforms. Access your Lexis® Analytics and Lexis Advance® Practical Guidance account from one single platform. Enjoy swift multitasking between strategy-making, research and guidance tools with a click of a button.

03

Powerful searching uncovers just the facts you need

By utilizing Lexis Advance's powerful Advanced Search Forms, you can navigate straight to the most relevant results. Focus your research via the specialised advanced search fields - such as Content Type, Jurisdiction, Court, Timeline and Publication - will provide more precise result sets. Alternatively, start your broader search with the single search bar, combinations and advanced searches that you use most.

04

Customize and personalize your own page

Enjoy easy access to the publications you subscribe to, recent searches and history, as well as documents, folders, favourites and alerts, enabling you to customize where you want to start.

05

Online folders that increase your effectiveness

Save what's important to you in online folders - documents, text, even search parameters and results. Plus you are notified automatically if folder documents have changed.

06

Copy and paste made easy

Save time with the ability to paste hyperlinks directly into an email or document and feel confident knowing that you can access the source.

07

Case Citator enhancements

Be more confident in citing authorities as Case Citator now includes visualisation of treatment by subsequent cases according to the court's hierarchy.

08

Review your research - history list and research map

Resume past research without missing a beat. Your search history, search terms, documents, sent emails and other activities are automatically saved in your history for up to 90 days. Review your history as a list or choose a graphical map view where you can retrace your search, refine it, compare results and find additional, similar documents.

09
